Mr. Barton is responsible for the facilitation of design and coordination with clients, municipal staff, and the design team. He has experience in numerous residential projects, such as Lakewood Hills, the Manors at Forestbrook, the Tower Bay Lofts in Lewisville, and Terracina Phase III in Flower Mound. Mr. Barton has also worked on several commercial developments in Lewisville, Flower Mound, Corinth, Double Oak and Bartonville. One of his premier projects includes a mixed-use development in Corinth called Millennium. He has also helped design several charter schools located in both Flower Mound and Lewisville. As an Engineer-in-Training he is eager to expand his abilities and knowledge for all projects and anticipates becoming a Professional Engineer as soon as he is eligible.

Mr. Barton was born and raised in North Dallas and enjoys seeing the area grow, develop and become prosperous. He still resides in North Dallas and works out of the Lewisville office.
