Texas Stormwater Innovation Conference  
In the Zone: Coordination, Collaboration and Clashes Between Primes and Subconsultants

Mr. Lansdowne is mainly responsible for the coordination and design for engineering projects by working closely with clients, municipal staff, and other members of the design team. He ensures project milestones are met and obtains the necessary approvals from the applicable jurisdictions. Some of his projects include Silver Ridge Assisted Living, Roanoke Commons, Roanoke City Center, Roanoke City Hall, Country View Business Park, Liberty Pointe, Montalcino Phase II, Quiet Hill Estates, and Southlake Glenn.

Mr. Lansdowne was born and raised in the Golden Triangle area and enjoys seeing the area grow, develop, and prosper. He currently resides in Roanoke and offices at the Argyle location.
