

Jacob Tiemann, E.I.T.

Mr. Tiemann facilitates the engineering design of various projects by working closely with the Project Engineer, municipal staff, and clients. He is responsible for the preparation of construction documents and engineering exhibits while coordinating project milestones with the design team. His work includes RES Bennet Lane Academy in Lewisville, Sonic Drive-In in Corinth and multiple other commercial and residential jobs in Roanoke, Corinth, Flower Mound and Grand Prairie. As Mr. Tiemann works towards his goal of becoming a Professional Engineer, he will continue to grow his knowledge and build relationships to better serve the community.

Mr. Tiemann lived in East Texas before graduating High School and moving to College Station to pursue his Civil Engineering Career. He enjoys hunting and spending time outdoors.
