2015 - Present

G&A Consultants, LLC, Lewisville, Texas
Engineer Intern
2014

Professional Activities

Engineer-in-Training
National Society of Professional Engineers
Texas Society of Professional Engineers

Continuing Competency

McLaughlin Brunson Risk Management Seminar

Mr. Duval facilitates the engineering design of various projects by working closely with the Project Engineer, municipal staff, and clients. He is responsible for the preparation of construction documents and engineering exhibits while coordinating project milestones with the design team. His projects include Ladera in Mansfield and Highland Village and Parkmont Place in Flower Mound, as well as multiple commercial projects in Flower Mound, Highland Village, Garland, and Lewisville. As an Engineer-in-Training he is ambitious to expand his knowledge and skill set for any project and is preparing to become a Professional Engineer as soon as he is eligible.

Mr. Duval was born in the North Dallas area and appreciates the chance to help grow this community. He continues to reside in North Dallas and offices at the Lewisville location.

Education

Texas A&M University 2014
