

Robert J. Dollak Jr., P.E.

Senior Project Engineer

As one of the lead project engineers, Mr. Dollak works directly with clients throughout each phase of the project while coordinating with the design team and municipal staff members. He is responsible for engineering design and construction review and is actively engaged in the planning and surveying phase of each project. While acting as the supervisor for the engineering staff, Mr. Dollak is passionate about mentoring and positively encouraging team members for personal growth and professional improvement. His extensive project interaction has proven invaluable to his design and project management capabilities. Mr. Dollak is a strong advocate for his clients and works hard to meet their goals.

Mr. Dollak has two teenage daughters, and his family attends Crossroads Bible Church of Double Oak, Texas. His wife, Lisa is an accountant and they live in Lewisville, TX.
