

# W. Thad Murley III, RPLS

## *Professional Surveyor*

Mr. Murley, during his 20 plus years in the profession, has developed an extensive background in all areas of surveying with particular emphasis on projects ranging from rural boundary surveys and urban lot surveys to commercial real estate surveys. He has a wide range of projects behind him from supervising construction layout for projects ranging from residential houses to municipal infrastructure, to supervising and overseeing the preparation of Final Plats recorded throughout the DFW area. Mr. Murley has expertise in the preparation of topographic surveys for many different types of projects throughout the metroplex and in the preparation of FEMA Elevation Certificates for property owners in designated flood hazard areas. His background and experience has given him excellent time management skills and has afforded him the opportunity to build lasting relationships.

Mr. Murley and his wife Kat live in Highland Village, Texas, and attend Crossroads Bible Church in Double Oak. They have one daughter, two sons, and one granddaughter, are avid sports fans and love the outdoors.
